Proposed Information Collection; Comment Request; NIST Summer Institute for Middle School Science Teachers and NIST Research Experience for Teachers Application Requirements

AGENCY: National Institute of Standards and Technology (NIST).

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before [Insert date 60 days after date of publication in the FEDERAL REGISTER].

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at JJessup@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Susan Heller-Zeisler, 301-975-3111, Susan.Heller-Zeisler@nist.gov .

SUPPLEMENTARY INFORMATION:

I. Abstract

This is a request to extend the expiration date of this approved information collection.

The NIST Summer Institute for Middle School Science Teachers (NIST Summer Institute) and the NIST Research Experience for Teachers (NIST RET) are competitive financial assistance (cooperative agreement) programs designed to support middle school science teachers to participate in hands-on workshops, lectures, tours, visits, or in scientific research with scientists and engineers in NIST laboratories in Gaithersburg, Maryland. The workshops provide teachers with instructional information and ideas to use in their teaching, and emphasize the measurement science done at NIST. The Program provides a world-class opportunity for those teaching our nation's next generation of scientists to learn more about the subjects they teach and the research in those subjects at NIST, and to offer a platform from which teachers can inspire their students to pursue careers in science, technology, engineering, and mathematics (STEM).

To receive funding, nominated teachers must submit applications through their U.S. public schools districts or U.S. accredited private educational institutions for potential selection to participate in the NIST Summer Institute or the NIST RET. This request is for the information collection requirements associated with applying for funding. The information is used to perform the requisite reviews of the application to determine if an award should be granted.

II. Method of Collection

Applications may be submitted electronically via <http://www.grants.gov>

III. Data

OMB Control Number: 0693-0059.
